Subject: Congratulations! Rajendran Raja Fellowshp
To: "Jogesh Rout" <jogesh.rout1@gmail.com>
Cc: "Laura Fields" <ljf26@fermicloud.onmicrosoft.com>

Dear Jogesh Rout,

I am absolutely delighted to let you know that you have been selected to be the recipient of the Rajendran Raja Fellowship!

The Committee was impressed with your application and feels that you will be a terrific recipient both in terms of your getting to visit Fermilab and for the positives that you'll bring back to your home institution. Work on beam line optimization for DUNE with new physics scenerios should be a productive area of focus.

Assuming nothing has changed and you are able to accept this Fellowship, there is an amount of funding available to you for travel expenses to come and stay at Fermilab of approximately \$6000. I suggest we coordinate your visit between myself and Laura Fields.

On behalf of the Committee, I say congratulations again! Feel free to send me any initial questions that you might have. I understand that there may be visa items and other such things to also square away. We look forward to your visit and productive experience at Fermilab.

Very Kind Regards,

Dr. William Wester
Chair, Rajendran Raja Fellowship Committee
