|-----------------------------|----------------------------|
| Course | : Ph.D. |
| Course No. | : AW648 |
| Course Title | : Foreign Policy of Canada |
| Course Type (Core/Optional) | : Core |
| Course Teacher | : Dr. Sneha Bhagat |
| Credits | : 3 (Three) |
| Semester | : Monsoon Semester |
| Contact Hours | : 3 per week |

Course Objectives:

The course objective is to understand the approaches, issues and discourses in Canadian foreign policy analysis. It also gives special attention to the historical processes and incidents that defined Canada's capabilities as a global actor along with its foreign policy interests and values. The course examines the major perspectives which helps to locate Canada in the world. This course will also make an attempt to assess Canada's relations with major powers with special focus on India. It will also examine impacts of Covid 19 Pandemic which has added new challenges in the International arena.

Learning Outcomes:

At the end of the course students would be able to explore the structure and dynamics of foreign policy of Canada. They would also be able to describe the key goals and determinants to understand the Canadian Foreign Policy. The course would also help to acknowledge the role of Canada in global order. The students will also be able to assess Canada's relations with major powers including Canada- India relations.

Evaluation Methods:

Class Participation (10%); Sessional Work (Term Paper and Mid-term Examination (40%) End-term Examination (50%)
