

Course Code: GR-352

Course Code: German II (Optional)

Course Instructor: Vaibhav Sharma

Course Credits: 3

Objective:

The course is orientated towards a little advanced learning of German language. The students will be familiarized with the complex grammar structures and usage of vocabulary in different contexts. The focus of the teaching will be equally divided between reading, writing, speaking and listening competencies. Gradually, as the course proceeds the students are expected to acquire capabilities to comprehend intricate information from texts such as news reports and magazines. Simultaneously, they are also expected to develop other linguistic capabilities in the same accordance.

By the end of the course students will have to undergo an end semester examination which constitutes of written, oral and listening parts. The teaching and the practice material will be provided by the course instructor.

Course Evaluation:

Two Sessional tests: 15% each

Class Participation and homework: 20%

End-Semester Examination: 50%

Email ID: ntwinkle.singson@gmail.com

Total no. of students: 04

The course will primarily focus on numerous possibilities to develop the student's pronunciation and the spontaneous phrasing of sentences in German. For this, they will actively engage in learning general and language specific situations through various materials arranged by the course instructor. The goal of the course is also to specifically introduce the students to various situational based topics that could help them in facilitating conversation and building fluency.

Material: Netzwerk B1 and special materials designed by teacher as the requirements.

Class takes place twice a week, on Tuesday and on Thursday from 2:30 pm to 4:30 through online mode.

Evaluation:

Mid-Tem: 40 marks

End- Term: 40 marks

Class performance: 20 marks
