If a student becomes a Life Member of the CRSI by paying Rs. 5000.00 (discounted fee), his/her registration fee will be waived off for CRSI NSC-30. For more information about the CRSI membership (for new Life members) visit <https://crsi-india.org/new-membership/>

The Chemical Research Society of India

The Chemical Research Society of India (CRSI) was established in 1999 as part of the 50th anniversary celebrations of the country's independence. Currently, CRSI represents more than 3,300 lifetime members, who participate in the study, practice, teaching and promotion of Chemistry. The main objectives of the CRSI are to recognize, promote and foster talent in Chemistry and Chemical Sciences and to improve the quality of Chemical Education at all levels. The CRSI organizes conferences, seminars, workshops, symposia and other related programs to facilitate and promote research in all branches of Chemistry.

30th CRSI National Symposium in Chemistry & 16th CRSI-RSC Symposium Series in Chemistry is scheduled to be held in Jawaharlal Nehru University (JNU), New Delhi during February 02-05, 2023 under the aegis of the Chemical Research Society of India (CRSI) and with the support of The Royal Society of Chemistry (RSC). The organizing committee at JNU takes the pleasure of inviting you to attend this symposium. The symposium includes medal lectures, poster presentations and special lectures by eminent chemists and scientists working in the allied areas of chemistry from India and abroad. The National Symposium in Chemistry (NSC) provides a platform for scientists, teachers and students to discuss the recent developments in chemical sciences across the sub-disciplines. In addition, NSC creates opportunities to exchange ideas and to build long lasting collaborations in the frontier areas of chemistry and its allied disciplines. We look forward to welcoming you at JNU, New Delhi

The participants are required to complete online registration and pay the registration fee via the online portal. The registration fee is non-refundable and it includes full participation, conference kit, lunch/dinner/refreshments.

Category	Amount Payable**
Industry Delegate	Rs 11800
Academic Delegate	Rs 7080
CRSI Life Member	Rs 4720
Student	Rs 2360
Accommodation Charges	1. Student = Rs. 700/- per day (with meals) 2. Speaker/Delegate = Rs. 3360/- per day for Guest house (with meals) Rs. 5864 per night for Hotel (single room with breakfast); Rs. 9086 per night for Hotel (double room with breakfast)
<i>The actual cost of rooms at Jaypee Vasant Continental is Rs 8046 (single room) and Rs 9086 (double room). The organizing committee is providing accommodation at subsidized rates.</i>	
Student (New Life Member)#	Please visit- https://crsi-india.org/new-membership/
Accompanying Person	Rs. 3540
Foreign Delegate	US \$236

****Accommodation to be paid extra and will be as per the accommodation actual charges,**

Limited Hotel accommodation (single/double occupancy) is available and subsidized rates are provided.

If a student becomes a Life Member of the CRSI by paying Rs. 5000.00 (discounted fee), his/her registration fee will be waived off for CRSI NSC-30. For more information about the CRSI membership (for new Life members) visit <https://crsi-india.org/new-membership/>

Important Dates

Deadline of registration and fee payment	6 th December 2022
Deadline for abstract submission	10 th December 2022

#More details about abstract template and posters are available on the symposium website: (<https://jnu.ac.in/30thcrsi/>)

NOTE 1: Abstracts received after December 10, 2022 will not be considered.

NOTE 2: Only CRSI-Life members will be permitted to give poster presentations

Accommodation

Accommodation for all the invited speakers will be provided in nearby institutional guest houses and hotels on a partial payment basis. For all other delegates and participants a prior booking (during the registration) is required. Accommodation for all students will be provided in the Aravali guest house at JNU, International Guest house at JNU and HRDC hostel at JNU, and nearby OYO hotels in Mahipalpur. Accommodation will be given ONLY to registered participants.

Special Centre for Molecular Medicine

The Special Centre for Molecular Medicine (SCMM) under the auspices of Jawaharlal Nehru University was established in 1999 towards this goal. The inherent motivation of the university for establishing the centre was to develop research and teaching that can bridge the gap between basic scientists and clinical doctors in India. Research in the molecular aspects of diseases in close collaboration with the clinical establishment and teaching molecular medicine at postgraduate and PhD, to address the national need is the mission of SCMM. SCMM is established with the vision to provide quality teaching and research training in basic biology, development of novel therapeutics for human disease, Structure-Based Drug-Design, Synthetic Organic Chemistry, Peptide Chemistry, chemical biology, organocatalysis in Chemistry.

School of Physical Science

The School of Physical Sciences (SPS) JNU is one of the leading departments of India in research and teaching in the fields of Physics, Chemistry and Mathematics. Since its inception in 1986, the faculty of SPS has made significant contributions to these subjects as well as to interdisciplinary areas bordering them. The School offers Ph.D. programmes in Physical and Chemical Sciences and in Mathematics. In addition, there are M.Sc. programmes in Physics (since 1992), Chemistry (since 2017) and Mathematics (since 2019). In Chemistry the research emphasis is on Organic synthesis, Supramolecular chemistry Glyco-chemistry, Peptide Chemistry, Medicinal Chemistry, Biophysical chemistry, Bioinorganic chemistry, Metal organic framework, Organic-Inorganic hybrid materials, Ultrafast Fluorescence Spectroscopy and Dynamic Simulation etc. The research and teaching contributions of the School have been widely acknowledged.

Jawaharlal Nehru University is the foremost university in India and a world-renowned centre for teaching and research. Still, a young university, established by an act of Parliament in 1966, the strength, energy, and reputation of Jawaharlal Nehru University result from the vision that ideas are a field for adventure, experimentation and unceasing quest, and that diversity of opinions is the basis for intellectual exploration.

The educational philosophy of the university gets translated into its somewhat unorthodox academic structure. Grounded in faith in the unity of knowledge, JNU has sought to avoid the narrowly conceived Department structure of conventional universities, preferring instead to bring allied disciplines within a few broad and inclusive entities called Schools, under whose interactive ambit are placed the more specialized units, called Centres, There are also Special Centres that are outside even the broad structures of School but may grow further. Then there are Research Clusters that cut across Schools and Centres as well as some programmes, which are placed within specific schools but are built on the interests of faculty across the university. At present there are ten Schools and four Special Centres in the University.

Invitation to Sponsors

The prestigious CRSI National Symposium in Chemistry (CRSI-NSC) under the auspices of the Chemical Research Society of India (CRSI), provides a forum for the leading chemists from Institutes, Universities, Colleges, Industries, Research Laboratories and other R&D organizations to participate in meaningful deliberation of academic importance. In the 30th CRSI-NSC and 16th CRSI-RSC at Jawaharlal Nehru University, New Delhi during 02-05 February 2023, we are expecting more than 500 delegates, including foreign delegates, in a broad domain of Chemical Sciences. We are going to publish about 600 copies of Abstract Book to commemorate this important event. The publication will be circulated among the stakeholders in India and abroad. It will also be accessible to everyone in the world through the website.

We invite you for sponsorship for this event under the corporate social responsibility, and offer you various sponsorship opportunities through diverse channels. The Organizing Committee will be grateful if you can extend your kind co-operation by making generous financial support. These contributions will be acknowledged in the form of advertisements in the abstract book, exhibitions etc.

Nature of Sponsorship:

- Diamond Sponsorship: Rs 15,00,000/-
- Gold Sponsorship: Rs. 5,00,000/-
- Silver Sponsorship: Rs. 4,00,000/-
- Bronze Sponsorship: Rs. 2,00,000/-
- Advertisement Quarter Page (B&W) Rs. 20,000/-
- Advertisement Half Page (B&W) Rs. 40,000/-
- Advertisement Half Page (Color) Rs. 55,000/-
- Advertisement Full Page Inner (B&W) Rs. 1,00,000/-
- Advertisement Full Page Inner (Color) Rs. 1,50,000/-
- Advertisement in Color Inner Back Cover Page Rs. 1,50,000/-
- Advertisement in Color Back Cover Page Rs. 2,00,000/-
- Sponsorship for Registration Kits Rs. 1,50,000/-
- Sponsorship for Mementos Rs. 1,00,000/-
- Exhibition Stall/Booth: Rs.50,000/- - Rs.100,000/-
- Sponsorship for Lunch/Dinner Rs. 2,00,000/-
- Sponsorship for High Tea Rs. 50,000/-

For contributing your sponsorship amount send the details to crsi30@jnu.ac.in
