K. Works for Urdu Diaspora

I have written several articles on the topic of Urdu Diaspora which have been published in leading national and international journals. Being the founder and Chairman of World Urdu Association, I have conducted numerous webinars and one-on-one interviews with eminent personalities present in the Urdu Literature sphere, in an attempt to eradicate the physical distance amongst people of Urdu. By bringing them closer together, I aim to create further awareness about the discipline of Urdu Diaspora. World Urdu Association stands as the first initiative during the lockdown period to conduct such engaging academic

programmes on a weekly basis. It is a platform that helps the literature loving masses in exploring all the aspects associated with the field of Urdu Diaspora. By attending and being a part of these weekly programmes which welcome all and are also open to all, people benefit into widening the domain of their knowledge and be a part of all the discussions regardless of their age, gender, geographical location etc.
