Appeal

JNUTA thanks all colleagues for active and diligent participation in the ongoing protest.

While JNUTA welcomes all individual suggestions, it would like to clarify that individual suggestion and reactions including 'name-calling' even though copied to JNUTASEC does not reflect JNUTA's position. JNUTA takes position only after due deliberation, discussion and mandate coming from EC/extended EC/Emergency GBM/Regular GBM/ Emergency meeting.

In this tough time, JNUTA appeals to all colleagues to avoid name-calling especially while writing in JNUTA group mail. JNUTA advises one and all not to use the name of JNUTA to voice their opinion either as individual(s) or group(s).

JNUTA requests your support in this seemingly long struggle for truth and justice.
