Jawaharlal Nehru University

offers admissions

to

MBA Program for the session 2025-27

The Jawaharlal Nehru University (JNU) established in 1969. The University has identified and is concentrating upon some major academic programmes, which are of relevance to national progress and development. The basic academic units of the University are not single discipline departments but multi-disciplinary Schools of Studies.

Awards and Rankings

- Visitor's Award for "Best University" in 2017.
- UGC granted JNU as Graded Autonomy (Category-I).
- JNU ranked #2 by NIRF 2024
- NAAC Accredited JNU A++ grade (Highest grade by NAAC).

Atal Bihari Vajpayee School of Management and Entrepreneurship (ABVSME), Management education plays a key role in most of the systems and institutions, whether related to education, health, hospitality, and like manufacturing. In the fast-moving and technology-driven world of today, even religious and family affairs need management consultation on various occasions. However, to meet the existing and emerging challenges, the management education has to be designed innovatively and in consonance with the dynamics of the field. At present, most of the management schools are either standalone educational institutions or are part of a university system.

A management institute based in a university like JNU has the advantage of offering a more comprehensive understanding of management and entrepreneurial principles. The Atal Bihari Vajpayee School of Management and Entrepreneurship (ABVSME), is a new school (centre) in JNU. Today when our nation is putting every effort to empower its youth, management skills and entrepreneurship assume immense significance. ABVSME aims to carve out a niche for itself and providing opportunities to our youth to get quality education and training in the field of management and entrepreneurship. A number of factors are likely to contribute to the success of ABVSME. JNU has strong national and international credentials and an enviable brand image; it has also earned its reputation for its multi-disciplinary tradition of teaching and research. The addition of ABVSME to its existing schools will further enhance its image as a centre of excellence. JNU is located close to the industry in Delhi and the National Capital region. This locational advantage would facilitate its placement programme.

ABVSME began its journey in 2018, and in July 2019 the first batch of Masters of Business Administration (MBA) students joined the School. The teachers and the students have made their unique contribution to this first step of ABVSME, and the School's foundation has been soundly built. The School is now ready to welcome its seventh batch of MBA.
