

**Centre for the Study of the World Economy (formerly CITD)
School of International Studies**

Course Code: DI655

Course title: Research Seminar

Semester: Winter Semester

Course credits: 4

Type of course: Core

Course In-charge: All faculty members

Evaluation method: The students will prepare a write-up of the proposed seminar prior to the presentation. The write-up and the presentation will be evaluated by all the faculty members in a seminar to be presented by the student at the end of the semester.

Course description: The PhD Research Seminar will be guided reading course on a broad topic of research interest to the student. The student is expected to present a critical review of the existing literature on the broad topic, selected at the beginning of the semester, highlighting the extensive themes and research questions addressed in the literature and clearly identifying the research gaps therein.
