

Jawaharlal Nehru University Institution's Innovation Council

About IIC

As per the direction of Ministry of Education, Govt. of India all Higher Education Institutes are required to establish an 'Institute Innovation council' (IIC) for the implementation of the culture of Innovation and start-up ecosystem in the respective institute. Ministry of Education's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE in 2018.

Institution's Innovation Council (IIC) at the Jawaharlal Nehru University, New Delhi

JNU initiated Institution's Innovation Council (IIC) in 2019 for the promotion and creating awareness for different activities related to the innovation, IPR, startup and entrepreneurships.

IIC, JNU conducts regular meetings for the planning of different activities as per the MIC guidelines. Periodic review of activities that have been completed is also undertaken. These activities help all the stakeholders of JNU; students, faculties and staff to participate in the innovation related initiatives.

The major focus areas of IIC, JNU

- Creating awareness among the stakeholders of JNU regarding innovation, IPR, startup and entrepreneurships.
- To create an effective local innovation ecosystem
- Better co-ordination among IPR cell, R&D cell and AIC JNU to maximize the output.

Major Activities of IIC, JNU

- Organizing periodic workshops, seminars and interactive meetings with entrepreneurs, investors, fund-raisers and professionals to inculcate and promote innovation.

Jawaharlal Nehru University Institution's Innovation Council

- Organizing Idea competition, Hackathons and other related activities with the involvement of industries and AIC
- Timely updating of Institution's Innovation portal to highlight the the activities of IIC and information regarding innovative projects carried out in the Institute.

Standard operating Procedure for IIC:

With the support from JNU Administration (Vice Chancellor, Rectors and Registrar), IPR Cell, R&D Cell, AIC-JNU and other related bodies, IIC conducts workshops, idea competition, laboratory visits, field visits etc. round the year for the promotion of innovation and start-up ecosystem as per the guidelines of MIC, MoE.
