Vice-Chancellor

16 October, 2026

APPEAL

As Vice-Chancellor, I have been closely monitoring the situation and receiving daily health updates from the University medical team. The doctors have formally advised you to end this hunger strike.

Your well-being remains my permanent concern.

The Administration remains open to dialogue to address your concerns with empathy. We have already held a few meetings and taken them up with your concerns.

I strongly appeal to each of you participating in the hunger strike to end your fast immediately.

Santishree Pandit
