This is to inform the JNU Community that a few student groups have been repeatedly violating the decision of honourable High Court regarding the mode and venue of protest in the JNU campus. The latest in the series is a poster advertising holding a public meeting to be addressed by an honorable Member of Parliament at the Administrative block on 04-04-2017 at 5:30 pm.

It is most likely that the invited speakers from the outside are not even aware of the interim Court Orders related to holding of such events in the JNU campus.

The administration advises all the stakeholders of JNU to refrain from organizing any event that is in violation of the rules, regulations and relevant Court Orders. Disciplinary action will be taken as per the university rules against the violators. In this connection, the invited speaker of today's event has been informed and apprised of the situation. The president of JNUSU has also been advised to discourage students from organizing such events at prohibited areas in the campus.
