An Appeal

17 October, 2020

It has to come to the notice of the administration that some students of the University have given protest call #Reclaim JNU, Unlock JNU on 17<sup>th</sup> October, 2020 at North Gate of the University. While right to protest is well recognized and respected, violating the Covid-19 guideline to refrain from all kinds of protests during a deadly pandemic afflicting the country sets a wrong example, particularly when it is staged by students of a prestigious university, such as JNU.

The protesting students are requested not to sully the image of the University by violating the Covid-19 guidelines when the nation is working hard to contain the spread of Corona Virus.
