It has come to the notice of the administration that a few faculty members of JNU held a protest against CAA in the campus on 03rd June 2020. While right to protest is well recognised and respected, violating the Covid19 guidelines to refrain from all kinds of protests during a deadly pandemic afflicting the country sets a wrong example, particularly when it is staged by intellectuals of a prestigious university, such as JNU.

The protesting faculty members are requested not to sully the image of the university by violating the Covid19 guidelines when the nation is working hard to contain the spread of Corona Virus.
