

Jawaharlal Nehru University

Circular

04 January 2020

This is for the information of all the students that an alternate option has been devised to facilitate the process of registration for 2020 winter semester. In addition to the existing registration process, the following alternate procedure can also be used by the students:

1. Students who have paid all dues and obtained the necessary clearances will receive the registration folio by email for filling in the course requirements/thesis title and other details.
2. The student will print the folio and fill up all the required information. After putting his/her signature on the folio, the student will scan and email back to the School/Centre.
3. After necessary verification of the folio by the School/Centre and signing by the Supervisor/Chairperson/Dean, the student will receive an email for the renewal of the id card. The venue for the collection of the id card will be informed in the same email.
4. The registration process will be complete only when the student in person comes to collect the id card.
