06th March, 2020

CIRCULAR

This is in reference to D.O. letter F.No.1-14/2020 (Website) dated 05th March, 2020 received from Secretary, University Grants Commission regarding taking preventive measures to combat the threat of the Novel Coronavirus (COVID-19). Towards this, a coordinated and collective effort in a mission mode is needed. All members of the University fraternity are hereby requested to adhere to the following advisory issued by University Grants Commission to help prevention/reduction of the transmission of the virus:

a) Avoid large gatherings on campus.

b) Any student with travel history to any COVID-19 affected country or in contact with such persons in last 28 days, must report to the IHA/concerned warden of the hostel/ concerned faculty so that they may be advised for home quarantine for 14 days to prevent/reduction of the transmission of the virus.

Any staff member (teaching/non-teaching) with travel history to any COVID-19 affected country or in contact with such persons in last 28 days, must report to the concerned authorities so that they may be advised for home quarantine for

14 days to prevent/reduction of the transmission of the virus.

d) Faculty members are also requested to be alert towards any student with signs and symptoms i.e. fever, cough and difficulty in breathing, and should immediately have the student tested.

e) Till advised by the treating doctor the student should not join campus.

- f) Faculty, staff and students are also advised to follow the simple public health measures of hand and respiratory hygiene guidelines issued by Government from time to time.
- g) Anybody with signs & symptoms (cough, fever or difficulty in breathing) should call University Health Centre at 011 26741636 or State/UT helpline number or Ministry of Health & Family Welfare's 24x7 helpline at 011 23978046 or visit public health facility with a mask or mouth covered.

This has the approval of the competent authority.
