Notice

17 October 2020

This is for the information of all concerned that the administration has received the suggestions from the Deans of Schools and the Chairpersons of Special Centres for the phased-manner return of students in the campus for their academic pursuits. Similarly, suggestions have been received from hostel representatives/presidents for the phased-manner return of students to hostels. Dean of Students along with ADOSs, Provosts and Wardens are looking into the feasibility and logistics for the return of students to hostels in view of the Covid-19 pandemic.

The competent authority has constituted a committee to work out the detailed guidelines to be followed and logistics to be managed for the phased-return of students. The committee will submit its report in next few days. Students are advised to strictly maintain the Covid-19 guidelines and avoid any mass gatherings which has a strong potential to spread corona virus, and that may jeopardize the return of students for their academic activities in the campus.
