

JAWAHARLAL NEHRU UNIVERSITY

Press Note

09 December 2019

The JNU administration reiterates that it has been all along open to dialogue and discussion with the stakeholders of the University. It is regrettable that a false narrative is being spread that the administration is refusing to hold dialogues with the student representatives. In fact, as and when an attempt was made for dialogue, the student agitators violently disrupted the meetings. And the officials who were involved in the dialogue process were booed and humiliated. However, the University continues to make arrangements for holding dialogue with the students. A circular dated 06-12-2019 (Annexure -1) has been issued requesting the interested students to meet the provosts and senior wardens concerning their grievances.

It is deplorable that the agitators have continued to occupy the admin building preventing normal official activities and locked down most of the schools disrupting academic functioning. The call given for boycotting the end semester examination is clearly against the academic careers of thousands of their fellow students. The administration once again appeals to the agitators to call off their agitation immediately so that normalcy returns to the campus.

JAWAHARLAL NEHRU UNIVERSITY

Office of the Dean of Students

CIRCULAR

6 December 2019

All the residents of the JNU Hostels are hereby advised to use the existing official channel of redressing their concerns and grievances by consulting the Senior Wardens and Provosts of their respective Khands. This is to remind all concerned students that the Provosts will be available for interactions at the Provost Office (IHA) from 3pm-4pm every Monday and Thursday. Interested students are welcome to visit this office as per the schedule. Any concerns, views and feedbacks related to hostel matters may be discussed during the interactions.
