

LS 493—Dissertation (8 credits over a period of two semesters)

Each student carries a dissertation under the mentorship of a SLS faculty during Semester III and Semester IV. Based on their grades and choice of lab the student is allotted a mentor by the GAC (MSc) latest by the end of Semester II. Mid-term evaluation of this course is done at the end of Semester 3. Students are evaluated on the basis of work done as evidenced by their data book and presentation before the committee.

At the end of semester 4, a committee duly constituted by the Dean, SLS evaluates the students. The students need to make a presentation of the work carried out the entire research work and also are required to submit a write up, details of which are intimated by the committee.

The committee members are :-

Prof. A.K. Mondal*,
Prof. A K Sarkar,
Dr. R Muthuswami,
Dr. SK Jha,
Dr. N Puri,
