Dear Alumnus,

Greetings from the Executive Committee of the 'Alumni Association of JNU' (AAJ).

JNU has not only been our Alma mater, but also one of those rare institutions that have given us identity and a sense of purpose, regardless of the vocations we chose to pursue. The atmosphere and environment that JNU provides is conducive to debate, discussion, dissent and joint action that can seldom be matched by any academic institution in the world. We are all, I am sure, very proud of this legacy.

AAJ would like to work towards ensuring that the JNU legacy carries on and our students continue to enshrine the real values that this great university instilled in us. AAJ has prepared a **Road Map : 2020**, (Annex. I) covering different areas, including **Alumni Guest House with Committee Room and Alumni Library** to be accomplished by 2020. Contribution made towards AAJ Membership will be used to achieve these goals

We would also like to inform you that we have established links with JNU alumni and several JNU alumni associations in different parts of India and abroad. Previously, we had a database of more than 5000 alumni which we are now beginning to register formally since implementation of our AAJ constitution. The constitution will help us in implementing our activities and privileges to alumni as enshrined therein. Any alumna can get registered by filling a registration form and submitting to AAJ office. A membership drive is already going on.

We, therefore, appeal to you all to become **Members** (Annex. II for Membership Registration Form) to strengthen the AAJ hands and contribute towards fulfilment of its endeavours. For further information please visit **Alumni office** or log on to www.jnu.ac.in/aaaj or feel free to call any of the undersigned.

Looking forward to making AAJ a success together.

Thanking you,

Mr. T. Ranganath
